

Winn-Dixie

COUPON POLICY

Coupons are a great way to save -- and who doesn't enjoy saving? To make it easier to shop with us when using coupons, we have outlined our coupon acceptance policy below. If you have any questions please ask your store management team for clarification.

Winn-Dixie accepts the following:

Manufacturers Coupons	Catalina Checkout Coupons
Winn-Dixie Store Coupons	Buy One Get One Free Coupons
Internet Coupons	

- Coupons that have a printed expiration date and are presented within that date
- Coupons that have a valid UPC and scan at the register
- Internet coupons that are \$5 or less that have a valid UPC and scan at the register
- Internet coupons that are greater than \$5 that have a valid UPC and scan at the register (with store management approval)
- Manufacturer coupons for free items that have a purchase requirement

Winn-Dixie does not accept the following:

- Coupons that have been identified as fraudulent by the manufacturer
- Coupons that allow more than one free item (Buy One Get Two Free)
- Competitor store coupons

Winn-Dixie has the following guidelines and limitations for coupons, special promotions and programs:

- Coupons presented for items that are part of the Make-a-Meal, Double Play or What-a-Deal promotion will only validate for redemption on the MAIN item in the deal. Coupons for the free items will require store management approval.
- "Stacking" is permitted; stacked coupons will redeem when one store coupon and one manufacturer coupon are used on the same item.
- "Cash Back" can only be applied to any additional items within the purchase and cannot be applied to sales tax.
- WIC and SNAP transactions that include coupons which exceed the value of the coupon items are ineligible for "cash back" or application to other items within the purchase.
- Limits specified on coupons must be followed.
- All coupon purchase requirements must be met.

Store Management can accept, deny or limit the use of coupons at their discretion, to comply with our policy guidelines. Limits may include large number of coupons on any one item for multiple purchases for the same guest.
